LAFAYETTE CHARTER SCHOOL POLICY No. 5.1.1 ADMISSIONS POLICY WITH LOTTERY

I. PURPOSE

The purpose of this policy is to explain the application and enrollment process at Lafayette Charter School so that families will have information to make decisions regarding their children's school attendance.

II. POLICY STATEMENT

This policy establishes guidelines for admission into Lafayette Charter School that are consistent with the admission requirements of Minnesota Statutes §124D.10 and other applicable laws.

III. GENERAL ENROLLMENT PROVISIONS

- A. Lafayette Charter School is a public school and pursuant to state law, must enroll an eligible student who submits a timely application, unless the number of applications exceeds the capacity of the program, class, grade level, or building. When that occurs, students will be accepted by lot and admitted as further described in section VI.
- B. Before admitting a student on the lottery list, Lafayette Charter School shall give preference for enrollment to siblings of an enrolled student and to a foster child of that pupil's parents.
- C. Before accepting students by lot, Lafayette Charter School will give preference to enrolling children of the school's staff before accepting other pupils by lot.
- D. Lafayette Charter School shall not discriminate against any student based on race, color, ethnicity, sex, age, national origin, ancestry, religion or creed, status with regard to public assistance, sexual orientation, disability, intellectual ability, prior measures of achievement or aptitude, athletic ability, or for any other basis that would be unlawful for a public or charter school.
- E. Lafayette Charter School shall not seek any information about any applicant that may be used to discriminate against the applicant in either school's policies or governing laws. This does not preclude the school from seeking such information for a lawful purpose about a student after the student has been admitted.
- F. Notwithstanding any other provision of this policy to the contrary, in compliance with the requirements of the Minnesota Department of Education and with the 2011 settlement agreement in ACLU v. TiZA, et al. litigation, Lafayette Charter School

shall not select students based on religious preference.

- G. Lafayette Charter School will not distribute any services or goods of value to students, parents or guardians as an inducement, term or condition of enrolling a student unless required to do so by Minnesota's Pupil Fee Law.

IV. APPLICATION AND ENROLLMENT PROCEDURES

- A. Interested families will submit an application.
- B. Lafayette Charter School will accept applications for admission to Grades Pre-K through 8 grade, for which up to 20 students will be accepted in each grade. The board of directors may increase one or more grades' capacity by resolution and without changing this policy if needed.
- C. Formal recruitment of incoming students will begin before or during November of each year. The school will encourage families to meet with the faculty, staff and/or board members to discuss the value of Lafayette Charter School, and its expectations of students and their families.
- D. If there are more applicants than spots available, all timely applicants will be placed on one of two lists by grade: (a) a preference list of students given preference by state law or this policy, and (b) all other applicants. Both lists will shuffled and offers of enrollment will be made to students in the order in which they are listed for each grade until classes are full, first exhausting the preference list, and then proceeding to the non-preference applicants.

V. LOTTERY

- A. A "sibling" is defined as a student applicant who is related to an enrolled student with the same father and/or mother either (1) genetically, or (2) through legal process, i.e., adoption, guardianship, or foster parent. Sibling preference does not apply until one of the siblings is actually enrolled.
- B. Siblings of currently enrolled students will be given first priority. If there are more sibling applicants than spots for a particular grade, the sibling applicants will be shuffled by lot each year and then offers of enrollment will be made in the order drawn.
- C. Second priority will be given to children of school staff. If a staff member's employment is ended for any reason, the child moves to the end of the non-preferential waiting list.
- D. Once all sibling applicants and children of school staff have been placed, other applicants will be offered enrollment in their order on the non-preferential applicant waiting list determined by lottery.
- E. If any student, whether enrolled or on the waiting list, cancels their application or withdraws from Lafayette Charter School, they shall lose their place. If they later re-

apply, they shall be treated as a new applicant.

- F. All applicants still on a waiting list at the beginning of the next enrollment period must submit a new application for enrollment and will be subject to the enrollment process described above. The waiting lists do not carry over from year to year.

- A. Lafayette Charter School shall vigorously market itself before and during the enrollment period to recruit students to meet its enrollment goals as set by the School Board.
- B. In accordance with its marketing strategy, Lafayette Charter School may use the measures below, among others, to recruit student applicants.
