LAFAYETTE CHARTER SCHOOL POLICY No. 4.8.2 EMPLOYEE USE OF SOCIAL MEDIA

I. PURPOSE

Various forms of electronic communication, and social networking including, but not limited to, text messaging, personal Web sites, Web logs (blogs), online forums and virtual worlds can provide a unique means of communication and education, but it must not be allowed to create unintended and/or improper communication between staff and students. It is the Lafayette Charter School Board's intention to use these types of electronic communications as a way to further the goals of the School, while protecting staff members, students and the School from harmful incidents.

II. POLICY STATEMENT

Lafayette Charter School encourages staff use of social media provided it is used in a manner that does not violate state or federal law or school policies and does not create unintended and/or improper communication between staff and students. Public social media outside of those sponsored by Lafayette Charter School cannot be used for instruction or for school-sponsored activities without the prior written authorization of the Lead Teacher or and parental consent for student participation on social networks. When employees choose to join or engage with Lafayette Charter School students, families or fellow employees in a social media context outside of those approved by Lafayette Charter School, they must maintain their professionalism as employees of Lafayette Charter School and have responsibility for addressing inappropriate behavior or activity on those networks, including requirements for mandated reporting.

III. GUIDELINES

A. Lafayette Charter School encourages all staff members to maintain active interest and engagement in a wide range of activities, intellectual pursuits, causes, etc., including social, political, religious and civic-oriented groups, organizations, blogs, publications, etc. At the same time, this must be balanced with Lafayette Charter School's right to manage public communications issued directly or indirectly in its name or on its behalf.

This policy does not constitute legal advice; any questions regarding this policy should be directed to your attorney.

IV. COMMUNICATING WITH OTHER STAFF MEMBERS
